The Class of '76

Our sophomore year began as a nightmare of insecure feelings and unanswered questions. Our confusion of the first day dragged into a week, and as we aimlessly wandered through the halls, we found that all those new faces had the same question in mind: How am I going to get to my next class? When we finally became accustomed to our new surroundings and gave up looking for the elevator and the fourth floor, the nightmare of our first day turned into an unforgettable dream. We became involved with the activities in school in addition to organizing some of our own. One big event was our student-faculty basketball game where the students showed the teachers who was "on the ball". All too soon, however, we awoke and found that the year was practically over. At our sophomore dance we were really wishing we could have saved some of that "time in a bottle".

The summer flew by, and in September we returned as full-fledged juniors. October meant class rings and the realization that we were an important part of Woodbridge High. Our slogan became, "buy some candy? support the class of '76". The next few months kept us busy remembering the good old days of Vaudeville – the theme of our Junior Review. We met people like Harpo Marx, Charlie Chaplan, Can-Can girls and Bananas. In between our own activities we took time out to cheer the Varsity basketball team to the top. Remember when state champion t-shirts were all the vogue? We soon began looking forward to our senior year, a day we thought would never come. At our cotillion, "Morning Has Broken", we scarcely realized that in a few months that new morning would have dawned into a newer and more exciting senior year.

Finally September arrived and we returned with the confidence that we were the best class WHS would ever see. Football season proved that Woodbridge fans and spirit never die. Our first activity as a class was the Senior Masquerade, which was anything but a "Ghost Town". Then came Senior Charity Week when everyone chipped in to make the Christmas season brighter for needy families. By January we were still rocking around the clock to our Fifties dance "Sock Hop". Then came the Senior play, "Bells are Ringing", and we all knew that our year would be over soon. Our Prom, "A Time For Us," was suddenly upon us, and we began getting used to the idea of leaving for good.

Suddenly. Graduation caught us by surprise as we found that the time in a bottle we tried to hold on to had slipped away. Also, the morning that had dawned into a great senior year was in its twilight. There's a new dawn ahead of us, and whatever tomorrow brings, we will always remember the good times in Woodbridge Senior High.

Problems Arise With Change in Gym Classes

By: Susan Scutti

This year's change in gym classes from traditionally segregated classes to the newly established classes has caused no major problems, but some difficulties. Opinions vary, but most students prefer the segregated classes. Many feel coed classes are unnecessary and a waste of time.

Once again it is off to a swift beginning under the direction of Mr. Hodes, with many plans and activities soon to be scheduled. Officers were elected at a recent meeting of the club and are as follows: Don Chalfin, president; John Wasnick, Vice-President; Nancy Chalfin, secretary; George Erickson, treasurer; the trustees - Ed Lowe, Scott Jacobs, and Tom Whiteneck. Steve Bonelli was appointed publicity chairman.

The members of the club recently were guests at a luncheon at the Holiday Inn with the Rotary Club, which is affiliated with the Township of Woodbridge.

WOODBIDGE BARRONS MARCH TO VICTORY

By: Valesie Brown

The 1975-76 Marching Barrons have a busy schedule this year. Besides the performances at football games, there are nine competitions planned. Mr. Urbanski feels the band will have a good season, hopefully a repeat of last year's first and second place titles. Last year's successful season ended with a place at the Elk's Parade in Atlantic City. The band has already won first place at the Home New Festival in New Brunswick, first place in band at the Morris Knolls Competition, and first place in Band at Morris Knolls.

The Marching Band is composed of 74 players led by Drum Major Rhonda Ferrie. Other officers are: Murphy, Asst. Drum Major; Diane Markowicz and Steve Hudak, Drum Co-captains; Gary President; Andre Stankovich, Vice President; Peter O'Dell, Secretary; and Kristi Treast.

Every year Social Action has a Saturday morning program at the State School from 10 A.M. to 11 A.M. Volunteers from many high schools around the county teach 1,000 severely retarded children and adults to have fun at games and sports.

The biggest event of the year Social Action involves itself in is Hand-in-Hand. This is an extra ordinary day. The last festival in May

BOYS' CROSS COUNTRY

Mike Moloczniak

The boys Cross Country team was led by Tom Scarano, Paul Nemergut, and Mike Moloczniak who made the All County Team. Junior, Frank McGuirk, and Sophomores Dennis Ballance, Joe Kovacs, and Phil Gaid helped in a very competitive season. The coach, Mr. Chomicki, looks forward to a winning season next year with the help of the Juniors and Sophomores.

For the first time in fifteen years the Woodbridge soccer team completed a winning season. This year's record was 8 wins, 7 losses, and 4 ties. The soccer Barrons defeated J. P. Stevens 4-0 in the county finals, but lost to Colonia in the state tournament. John Candido did a fine job as goalie, while other good performances were given by Seniors Dave Seyfart — co-capt., Dave Senatore, Kyle Ellis, Rich Stanaitis, Richie Zacagna, Ken Iversen, Bob Kaminski, Ricky Wells, and Ken Lukach. Two juniors, TeJay Kostecky and Charlie Fernandez, also had outstanding performances. They made the All County Conference team. The J.V. Coach is Mr. Yannazzo, and the varsity coach is Mr. Sabaliauskas who was selected as coach of the year. We wish next year's team good luck and we hope they have an even more successful season.

The football Barrons got off to a great start this season by defeating J.F.K. and continuing on to win four games in a row. The Barron attack was led by John Nogrady, Rich McAllister, and Bob Benson. Nogrady made the Daily News All Star Team while McAllister and Benson were selected for the All County team. The Barrons continued a Thanksgiving tradition by defeating Edison for the 15th time. They finished their season with a 6-2-1 record. Aside from the seniors, the Barrons had outstanding performances from many juniors and a sophomore. The coaches for the team were Frank Capraro, Harry Zmijewski, Richard Miglec, Pat Barbato, Al Meravi, and Dennis Hilton.

The 1975-1976 Basketball Team, deserves much credit for their season, even though it wasn't a very successful year. Many people expected them to live up to the title of Group IV State Champs. There were many players who were good. Steve Lucas, a senior, has been playing Varsity Basketball since his sophomore year. He was an outstanding player. He made Honorable Mention for the Daily News ALL STARS, and second team for the All Conference team. Ed Barcellona, also a Senior, is a player who improved very much this year. He was also on the third team for the All Conference team. The team has many outstanding junior players and promising sophomores. We wish next year's team much success.

Girls Basketball

The 1975-1976 girl's Basketball Team ended their season with a 20-6 record. The team made the conference Championship. Bonnie Dunham scoring a high of 16 pts. game average. Bonnie is also Captain and made the All Conference 1st team.

Arlene Turinchak, also a senior player, was a very good defensive player.

Kim Novo, co-captain, directed the offense very well. Bonnie Boland was a very strong defensive player and an important offensive player. Both girls were named honorable mention for the All-Conference team.

There are also junior and sophomore players that were very important to the team and will surely succeed on next year's team.

Leah,
It's been fun.
I'll miss you
sharing a butt with me
in the last booth.
Best of luck.
